

## Mr John James Kubes

March 27, 1929 - August 15, 2016

John James Kubes March 27, 1929 – August 15, 2016

John James Kubes reunited with his loving wife Joanne Monday morning, August 15th. His desire was to be at home with his family as he made his way to be with his Lord and love of his life. His children fought to provide that last loving gift to a Father who gave so much. Born in Cleveland Ohio, on March 27, 1929. He received his Degree from the University of Miami of Ohio and proudly served his Country during the Korean War in the US Army. John met and married the love of his life Joanne in 1951 and in true pioneering spirit they began their new life in the Los Angeles area. He is survived by one brother, seven children, 18 grandchildren, 25 great grandchildren and 2 great-great grandchildren. He worked as an Accountant for most of his career but had many different talents that he pursued to his perfection. An avid gardener, model railroader, woodworking craftsman, he possessed drafting and engineering skills and was a world class keeper of things. He worked tirelessly his entire life and displayed and passed on a work ethic that has touched us all. He provided the love and structure that helped to hold his family together. He will be remembered as a loving and loyal father who made lasting impressions on his children. We are all so thankful for the father he was and the children that we have become. John is preceded in death by his father and mother, his loving wife, two sisters and one daughter. The family requests that in lieu of flowers donations can be made to Disabled American Veterans, Wounded Warrior Project or your favorite charity. A Viewing will be held from 5 p.m. to 8 p.m. with Rosary service at 6:30 p.m. on August 22, 2016 at Kern Mortuary 16120 Main St., Hesperia, CA 92345. A mass will be held at 10 a.m. on August 24, 2016 at Holy Family Church 9974 I Ave Hesperia CA 92345. Page 1 of 1

“ I'm so sorry for your loss. May these words bring comfort during this difficult time. God says "He will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces." What a joyous time that will be for all. And at Daniel 12:2 it says that "those asleep in the dust of the earth will wake up." These scriptures and many more will bring comfort to you as it has for many.

“ I am so sorry for the loss of my Uncle Jack. I can remember him puttering around in his garage on Faculty Drive, while he was supposed to be watching us kids. He was not allowed to do laundry due to the fact that he shrank his girls felt Brownie hats by drying them in the dryer. Aunt Jo used to call him Wong Foo when he did laundry!

He didn't used to like Denny's. He didn't like it if you drove on the parking spot lanes painted in parking lots.

He was quite the cyclist, and was known to have ridden his bicycle inside his school with his best friend Al.

Uncle Jack had a little bit of trouble making decisions. His wife Jo, my mom and my dad were going to a show and Uncle Jack couldn't decide if he wanted to go or not. He was hanging onto the car window, while his wife Jo was backing out of the driveway. She finally said, "Jack Kubes, if you don't let go of this car, I'm going to kill you!" Uncle Jack didn't go to the movie. LOL

My parents enjoyed a lot of trips to Las Vegas with Aunt Jo and Uncle Jack, back when steaks were only \$2.99

He was always good to me and treated me like an adult. He had so many talents and so loved living in Hesperia. I am so, so happy that he has rejoined his bride, my Aunt Jo. He missed her so much. I can only imagine the happy reunion that took place on Monday, August 15th. Not only with his bride, but with Mahoney, his daughter, Uncle Grant, Uncle Jake, Uncle Willard, cousin Susan, cousin Scott, and cousin Will.

Uncle Jack was famous for never throwing anything away! From bread ties to orange bags to Cepacol.

And he really loved trains, I first learned about trains from my Uncle Jack. And my love of trains has stuck with me through the years.

I'm thinking of all the Kubes clan and know how sad you are. Your Ohio family loves you so much and all I can do is tell stories about your dad to let you know how great we thought he was. We are thinking of you and wishing we could be there to help you during this difficult time.
